github.com/shevasatrian | shevasatrian.github.io/portfolio-sheva

## SUMMARY

---

Enthusiastic about technological advances such as programming and databases, interested and have learned things in the fields of front end developer. Familiar coding HTML, CSS and Javascript with frameworks such as Next.js, React.js, TailwindCSS and Bootstrap. I think it's my passion but I like to learn new things.

## EDUCATION

---

### SRIWIJAYA UNIVERSITY

Bachelor of Computer Science
